Dental Colleges

Sub: Information on initiatives taken by the dental colleges to train dental faculty in health professions educational science and technology

Dear Sir/Madam,

In the context of capacity building of dental faculty in the field of education, the Under-Graduate and Post-Graduate Dental Education Board (UGPG-DEB), National Dental Commission is compiling data on the initiatives taken by the Dental Colleges to train dental faculty in health professions educational science and technology.

In this regard, you are requested to **provide the required information online** in the format given below before 30th May 2026.

Notes:

1. Link to upload the course information at:
<https://forms.gle/dZF88KUeBspVnkeq8>

2. In case of more than one course, please use the link again.

Please note that

1. The course duration should be minimum 1 day (6-8 hours excluding breaks).
2. Do not list courses conducted by the affiliating university that your faculty may have attended.
3. The course should have been designed by the dental college itself for its faculty, or designed exclusively for your college's dental faculty.

1	Name of the Dental College, City and State/ Union Territory:	
2	Course Title:	
3	Course Design (F2F/ Online/ Hybrid/ Other):	
4	Course Duration (days and hours):	
5	Number of Participants per Course:	

प्लॉट नं. 14, सेक्टर-9, रामकृष्ण पुरम, नई दिल्ली-110022
Plot No.14, Sector-9, Rama Krishna Puram, New Delhi-110022
फ़ोन/Phone : 40108512 , 40194297

6	Focus Areas of the Course:	
7	Course Objectives/ Outcomes/ Competencies:	
8	Course Content (Session-wise):	
9	Please specify whether the course requires completion of assignments or a project (if yes, name the assignments or the project):
